

GRAND OPENING OF BIKE POINT LUXEMBOURG

BIKES & DRINKS

DECEMBER 1st 2009

12:00 pm - 2:00 pm

IN THE BRUSSELS_LUXEMBURG RAILWAY STATION

Over the last 2 years, bike points became well appreciated cycling hubs in Brussels.

We already provide cycling services in the railway stations North and Central. But as from December 1st, Brussels-Luxembourg has its own bike point. With 'services' we mean small repairs, bike rental, bike sheds and lots of information.

The Brussels bike points are a cooperation of the Brussels Capital-Region, the NMBS-Holding and the federal government.

They are part of a bike point network in Belgium and they're managed by CyCLO.

CyCLO is a non-profit organisation promoting more, and easier, cycling within the city of Brussels.

By offering work experience to people with difficulties on the labour market, CyCLO provides a creative answer to two of the most pressing challenges currently facing Brussels: mobility and a severe lack of employment.

Our workshop at the Vlaamsesteenweg/Rue de Flandre can be considered the heart of CyCLO. Here you can have your bike repaired - you can do it yourself if you like, but we'll be happy to help you -, browse through our fine selection of second-hand quality bikes, or even attend evening courses on bike-repair skills.
